

# AGENDA

- 9.00 a.m. Come together – registration and coffee
- 9.45 a.m. Opening of the event
- 10.00 a.m. **Your task - our machine**  
Mechanical and servo-controlled Bihler production systems
- 10.30 a.m. **Significantly more material-efficient and sustainable production**  
Target: Reduction of CO2 emissions
- 11.00 a.m. Coffee break
- 11.45 a.m. **Set the course for your success**  
Digital services for more added value in your production
- 12.15 p.m. Lunch break
- 1.30 p.m. **Smart automation solutions for your assembly production**  
Bihler technology: much more than stamping and forming
- 2.00 p.m. Coffee break
- 2.45 p.m. **Resistance welding in all its diversity**  
Our solutions for your welding requirements
- 3.15 p.m. **Optimize your production environment**  
Retrofit / machine and control system modernizations
- 3.45 p.m. Discussion & Networking
